R.M. SIGNS & R.M. PROPERTY

The destruction of R.M. signs and roads is considered mischief, and the removal or theft of signs constitutes theft under \$5,000.00. Both are CRIMINAL CHARGES.

We are asking for the PUBLIC's assistance to report known incidences of such matters to police at
306-747-2606 in Shellbrook
306-469-2590 in Big River
306-883-4210 in Spiritwood or

If the matter is time sensitive or requires immediate attention
PLEASE CALL 911

Traffic signs are used to notify drivers. Signs such as STOP, YIELD, DEAD END or CURVE help drivers prepare for what is ahead. They are a tool to make our roadways safer. When these signs are stolen or destroyed, drivers have no notification of what is ahead, making drivers a danger to themselves as well as others on the roadways.

The maintenance of roads and the purchase and maintenance of the Township and Range Road signs are costly to R.M. property owners, BUT more importantly the signs are used for emergency personnel to get to people who are in emergent need of medical or safety assistance. The absence of these signs increases the arrival time of emergency personnel and could mean LIFE OR DEATH.

Are you willing to be responsible for someone else's life?
