Understanding Assessment

The Saskatchewan Assessment Management Agency (**SAMA**) determines the assessed value for properties in the rural municipality as part of a process established by provincial legislation. The **province** establishes property classes, percentages of value and exemptions. Please visit the website listed below.

Assessment Appeal

We are confident we got your assessed value right, but if you believe you have identified an error after reviewing your property report, we want to hear from you. To appeal your assessment, you must prepare a notice of **appeal form** and submit it with \$300 per assessment number to the municipal office. The form is on the reverse side of the assessment notice and can also be obtained from our website rmofcanwood.ca or the municipal office.

Property owners may be prompted to appeal their assessment because they feel the property taxes are too high. It is important to remember that you **cannot** appeal your **taxes**; you appeal your **assessment**.

Deadline for appeals is **June 2, 2023**.
